

Regulations on Graduate Medical Education (Amendment), 2019

Graduate **M**edical **E**ducation
Regulation : 2019

Curriculum Committee

Bharati Vidyapeeth (Deemed to be University) Medical College, Sangli

- First Professional year commences with induction through the Foundation Course by the 1st of August of each year.
- Supplementary examinations shall not be conducted **later than 90** days from the date of declaration of the results of the main examination, so that the learners who pass can join the main batch for progression and the **remainder** would appear for the examination in the **subsequent year**.

- A learner shall not be entitled to graduate **later than ten (10) years** of her/his **joining** the first MBBS course.
- **No more than four attempts** shall be allowed for a candidate to pass the first Professional examination.
- The total period for successful completion of first Professional course **shall not exceed four (4) years.**
- **Partial attendance** of examination in any subject shall be **counted as an attempt**

- A learner, who fails in the second Professional examination, shall not be allowed to appear in third Professional Part I examination unless she/he passes all subjects of second Professional examination.
- Passing in third Professional (Part I) examination is not compulsory before starting part II training; however,
- passing of third Professional (Part I) is compulsory for being eligible for third Professional (Part II) examination.

- Second professional clinical postings shall commence **before / after** declaration of results of the first professional phase examinations, as decided by the institution/ University.
- Third Professional parts I and part II clinical postings **shall start no later than two weeks** after the completion of the previous professional examination.

Eligibility to appear for Professional examinations

(a) Attendance

- 1. Attendance requirements are **75% in theory** and **80% in practical / clinical** for eligibility to appear for the examinations in that subject.
- In subjects that are taught in **more than one phase** – the learner must have **75%** attendance in theory and **80%** in practical **in each phase** of instruction in that subject.

2. If an examination comprises more than one subject (for e.g., Medicine and allied branches), the candidate must have 75% attendance in each subject and 80% attendance in each clinical posting.
3. Learners who do not have at least 75% attendance in the **electives** will not be eligible for the Third Professional - Part II examination.

(b) Internal Assessment: Internal assessment shall be based on day-to-day assessment. It shall relate to different ways in which learners participate in learning process including assignments, preparation for seminar, clinical case presentation, preparation of clinical case for discussion, clinical case study/problem solving exercise, participation in project for health care in the community, proficiency in carrying out a practical or a skill in small research project, a written test etc.

1. Regular periodic examinations shall be conducted throughout the course.
- There shall be no less than three internal assessment examinations in each Preclinical / Para-clinical subject and no less than two examinations in each clinical subject in a professional year.
 - An end of posting clinical assessment shall be conducted for each clinical posting in each professional year.

2. When subjects are taught in **more than one phase**, the internal assessment must be done in each phase and must contribute proportionately to final assessment. For example, General Medicine must be assessed in second Professional, third Professional Part I and third Professional Part II, independently.
3. **Day to day records and log book** (including required skill certifications) should be given importance in **internal assessment**.
4. Internal assessment should be based on competencies and skills.

Attendance: Eligibility to appear in the final MBBS examination

- The Foundation Course will have compulsory 75% attendance. This will be certified by the Dean of the college.
- 75% attendance in Professional Development Programme (AETCOM Module) is required for eligibility to appear for final examination in each professional year
- 75% attendance in the electives and
- Submission of log book maintained during elective is required

- **Internal Assessment Eligibility:** Learners must secure at least **50%** marks of the total marks (**combined** in theory and practical / clinical; **not less than 40 % marks** in theory and practical **separately**) in a particular subject in order to be for appearing at the final University examination of that subject.
- Internal assessment marks will reflect as **separate** head of passing at the summative examination.

- Learners must have **completed the required** certifiable competencies for that phase of training and **completed the log book appropriate** for that phase of training to be **eligible** for appearing at the final university examination of that subject.
