**Bharati Vidyapeeth (Deemed to be University)
Medical College & Hospital, Sangli.**

SUBJECT: DERMATOLOGY, VENEREOLOGY & LEPROSY

Clinical Clerkship

- **Introduction:** It is the learning process of UG students during their Clinical Posting, in which they will experience longitudinal patient care. They will be trained & given hands on training in patient care & procedural skills.
- **Structure:** The Clinical Clerkship will begin in Phase II in Dermatology, Venereology & Leprosy and will be continued in Phase III and Phase IV. During Phase II- there will be orientation programme regarding the subject, History taking, Identification of Skin lesions & Local examination & Observation of communication skills. In Phase III and Phase IV in continuation to all of above, choice of investigations, basic procedures, decision making, management and outcomes in care of patient will be taught.
- **Detail Plan of Clinical clerkship:**
 1. During Clinical posting each batch will be divided into 2 sub batches.
 2. 2 batches will be taken by 2 different faculty (9.30 am to 10.30 am)
 3. 1st batch will be in OPD & 2nd batch in wards and both batches will rotate alternately for one hour each. (10.30 am to 12.30 pm)
 4. In wards alongwith rounds, students will be asked to observe various procedures.
 5. Batch 1 students and Batch 2 students will come in evening to Dermatology ward on alternate days, attend evening rounds and observe the history taking, clinical examination of new admissions of patients & do follow up of these patients.
 6. All students will be asked to write the case histories of 2 patients with complete management in Journal.
 7. The students should observe the various procedures done in dermatology and document his/her observation in log book.
- **Assessment:**
 1. The designated faculty should monitor the activities of student, monitor progress, provide feedback and review the Log book.
 2. At end of every clinical posting there will be end of posting examination which will include theory & practical.
 3. Also feedback about performance of students during clinical posting and exam will be done at end of every clinical posting.
