

Respected sir / Madam

Greetings from NMC Nodal centre for Faculty development, JNMC, Wardha.

Emerging stronger through this pandemic, we are now more adaptive to change and ready for new challenges. As per directives of NMC, we have to meticulously plan and implement CBME for Fresher batch and 2nd MBBS. The first step to this planning is preparing a detailed time table incorporating all aspects of CBME. We all have already experienced this exercise whilst making 1st MBBS time table for 2019-20 batch.

You are hereby requested to prepare a detailed time table of 1st & 2nd MBBS (checklist attached for IInd Phase), get it approved by the NMC task force member and finally upload it on college website. The last date of submitting the time table to NMC task force member (this mail ID) for review is 28th Feb for 1st MBBS and 1st March for 2nd MBBS. Once the time table is approved by the task force, it can be uploaded on the website. Before uploading on the website you will be required to fill a google form which will be shared with you in due course of time.

Note: Kindly note that the time table has to be prepared as per the course period & duration prescribed by NMC in view of Pandemic. The same is attached for reference.

For any queries you can contact the undersigned by replying to this mail ONLY.

Enclosures:

1. Checklist for preparing Phase II (2nd MBBS) time table
2. Gantt chart by NMC depicting period and duration of professional years.
